

Sales and Marketing - 6 months Internship

Start up in a valuation of industrial machinery

Valorex is the leading digital valuation tool for Industrial Equipment providing a fast, accurate, cost effective fair market price using our algorithm developed by industry experts, including some of the largest equipment marketplaces. Whether you are looking to buy, sell, lease, auction, insure or value you will know how hard it is to do yet how beneficial it would be.

We are an international, web focused team underpinned by talented individuals from 4 different European countries. Our strongest asset is our people and we are always looking for talented and creative people to join us, integrate into our team environment and continue to improve our company and its offering.

1. An international experience no matter your age
2. A will to achieve concrete results and to enjoy challenges
3. A benevolent and outspoken approach to teamwork.
